## POMPANO BEACH POLICE DEPARTMENT "Serving in the Public Interest"

Stanley E. Tipton Chief of Police 100 S.W. 3rd Street Pompano Beach, Florida 33060 Phone 786-4204

It is my pleasure to welcome all riders and guests to the 5th Annual Southeast Police Motorcycle Rodeo in Pompano Beach.

It is my belief that charitable events such as this bring great benefits to the public we serve. I further note the exchange of training techniques and safety ideas as the accomplished professional riders from all over the country meet to compete.

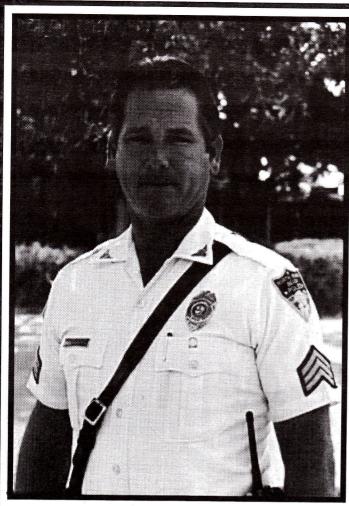

I also wish to acknowledge the participation and contributions made by the many sponsors and friends into creating this event.

The City extends a warm reception to each of you and hopes you have a fun and entertaining visit.

Good luck to all

STANLEY /F Chief of Police The POMPANO BEACH POLICE MOTOR UNIT would like to thank the following businesses for their support in making this Rodeo a success.

## "Remember Me"

Do not stand at my grave and weep. I am not there, I do not sleep

I am the thousand winds that blow I am the diamond glint on the snow.

I am the sunlight on the ripening grain, I am the gentle Autumn's rain.

When you awaken in the morning hush, I am the swift uplifting rush of quiet birds encircled in flight.

I am the stars that shine at night.

Do not stand at my grave and cry I am not there, I did not die.

## South East Police Motorcyle Rodeo Committee Inc.

April 1, 1994

On behalf of the South East Police Motorcycle Rodeo/Training Committee, I would like to welcome all participants and guests to our Fifth Annual Competition.

The Committee sent approximately seventy (70) invitations to police departments as far north to Canada and west to Texas. Any full-time motorcycle officer currently assigned to a motorcycle unit can compete. All riders must maneuver their motors through five (5) obstacles on either the A or B course. The difference between the courses are simply the distance of the cone settings. A motor that can turn a circle under 18' will compete in the A course. Any motor over 18' will compete in the B course.

This year the Committee also added a novice class, open to any officer who has never competed in a similar event. Riders will also find that errors will be more costly than last year.

I would like to thank all the people that made this event and our last four competitions possible. Bob and Steve Smith of the Super Seer Motorcycle Helmet Company have donated one thousand dollars worth of helmets each year. Bob and his son, Steve, travel each year from their company in Colorado to personally give away these helmets and help our committee.

Bob Amchir and the judges from the Wings of Gold Motorcycle Club will be our judges for the third year in a row. Bob and his club will also be our sole food vendor with all profits to go to the Committees' selected charities. A 1992 (brand new) 883 Sportster, compliments of Mike and Phyllis Deruytter of Ft. Lauderdale Harley and Jon Syverson of Harley Davidson of Milwaukee will be given away at the close of the competition.

This years competition is hosted by the Pompano Beach Police Motorcycle Unit. Their unit, especially Lieutenant Bill Mathews and Barry Kuhnly, have done an outstanding job.

Thank you to the management of the Pompano Harness track for the use of their parking lot area for our event.

Last, but surely not least, a thank you to all the sponsors of this magazine and the Southeast Publishing Company for the printing of this years program.

Certainly, many benefits will be derived as participants from different jurisdictions network and exchange new ideas and techniques in this competition. I wish all our participants and guests a fun, safe and exciting time here in Pompano Beach, Florida.

Carryl Secrist

- A. 1st through 5th places will receive a trophy.
- B. The object of the competition is to complete a course consisting of at least five different exercises, in the best possible time, and not receive any penalty points.
- C. Penalty points will be added as 1 second per point to the time, and are assessed as follows:
  - 2 POINTS Touch a cone
  - 5 POINTS Knock down a cone
  - 3 POINTS Put a foot down
- 5 POINTS Fail to complete an exercise (includes not following the path of travel as required)
  - 10 POINTS Drop the motorcycle
- 10 POINTS running out of an exercise (when the front AND the rear wheels cross the imaginary line between the center points of the two adjacent cones where the motorcycle would not normally enter or exit an exercise)
- D. A maximum of twenty (20) penalty points is all a rider can be assessed per run. If the penalty points exceed the twenty point maximum, the rider is then disqualified from the individual competition.

- E. Riders will be required to make two timed runs through the course. The time for each run will be recorded, and penalty points added, for a run score. The average of both runs will determine final placement in the competition.
- F. Ties: A tie is considered two or more riders with the exact score. All ties for first through fifth place will be broken by a third timed run.

#### V. Division Competition

- A. 1st through 3rd places in each of the four divisions receive trophies.
- B. Ties: Any riders in a division who are tied for first through third place after completion of the two timed runs will broken by a third timed run.
  - C. The four divisions will be as follows:

Division I - Kawasaki.

Division II - Harley-Davidson FLHTP.

Division III- Harley-Davidson FXRP with fairings.

Division IV - Harley-Davidson FXRP with windshields only.

- D. Any judge or other competitor may contest the division into which a particular motorcycle has been placed. A contested competitor's final status will then be determined by a combined decision of the Chief Steward and the President of the Trials Committee.
- E. The above divisions are not all-inclusive and will be subjected to amendments, additions, and deletions each year.

#### VI. Novice Competition

- A. 1st through 3rd places will receive trophies.
- B. A rider must have never competed in a recognized rodeo or trials to be eligible for the Novice class.
- C. All Novice class entrants are still eligible for the Individual and Divisional trophies.

#### VII. Team Competition

- A. 1st through 5th places will receive trophies.
- B. Team scoring will be based on the <u>Averaged</u> scores of the top 4 individual scores within an agency. The best total score will be awarded first place. The next best total score will be awarded second place, etc. Any agency with 4 or more entries is a team.
- C. In the event of a tie, one rider from each team involved will participate in a run off.

#### VIII. Slow Ride Team Competition

- A. 1st through 5th places will receive trophies.
- B. The object of the competition is for four riders to travel down a 35-feet-long, 8 feet-wide path as slow as possible without leaving the course, putting a foot down, or dropping the motorcycle. The slowest combined times of all four riders from any one team will determine the winner. The next slowest combined times will be considered second, etc.
- C. Riders #1 and #3 begin at one end of the lane with riders #2 and #4 beginning at the other end of the same lane.
- D. At the judges command, rider #1 raises his/her foot and begins down the lane as slowly as possible.
- E. At each end of the Slow Ride course will be a two foot transfer box. All rider exchanges will take place in the transfer box.
- F. When rider #1's front wheel enters the transfer box, rider #2 must raise his/her foot, and enter the transfer box, with his/her front wheel inside the transfer box before rider #1's front axle crosses the exit line. Rider # 2 then proceeds to the opposite end of the lane, and completes a transfer with rider # 3.
- G. During a transfer, once the entering rider's wheel is in the box, he/or she is considered the active rider.
  - H. Riders #3 and #4 proceed as listed in "F" and "G" above.
  - 1. The judge will STOP AND RECORD the time for the TEAM when:
    - (1) Rider #4's REAR axle crosses the exit line.
    - (2) The active rider puts a foot down.

- (3) The active rider crosses the side lines.
- (4) The transferring rider fails to enter the lane on time.
- (5) The active rider drops the motorcycle.
- J. Agencies may enter as many teams as they wish. However, an individual may only ride on one team.
- K. A team may consist of any four riders regardless of agency, and a rider may compete in this event without having competed in the other events. All other rules, however, still apply.

#### IX. Individual Slow Ride

- A. Trophies will be awarded to the five slowest riders.
- B. This is an open event, and any team slow ride member may participate.
- C. The Individual Slow Ride will be conducted on the same course as the Team Slow Ride.
- D. Time starts as soon as the motorcycle enters the box, and stops when one of the following occurs:
  - 1. The rider's rear axle crosses the finish line
  - 2. The motorcycle crosses any side line
  - 3. The rider puts a foot down
  - 4. The rider drops the motorcycle
- E. Ties: If a tie exists among the five slowest riders, then those riders will participate in a one on one "Ride Off" with the slowest time winning.

#### X. Judging

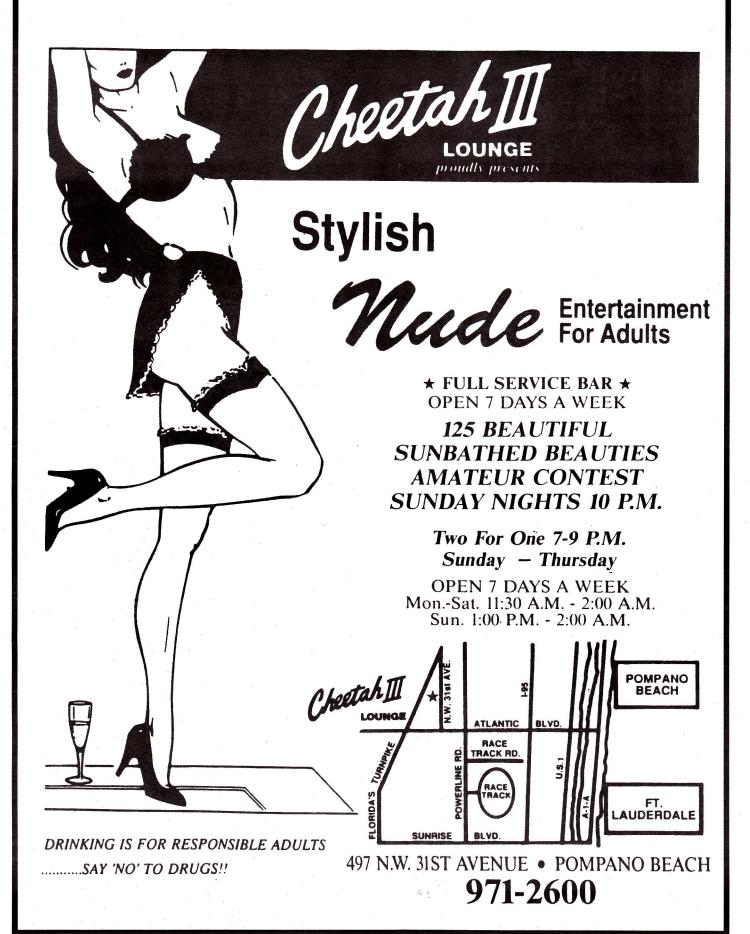

- A. A Chief Steward will be appointed by the committee, whose duties will consist of the following;
  - 1. Official Score keeper
  - 2. Supervise the Course Stewards and Judges
  - 3. Mediate scoring disputes in the first step of an appeal.
- 4. Appoint Course Stewards and Judges with approval of the committee.
- B. There will be a Steward for each course, who will supervise the judges and ensure consistent scoring throughout the competition.

C. If any rider disagrees with his or her score he/she must notify the Course Steward immediately. If the dispute is not settled by the Course Steward, then the first appeal will be to the Chief Steward. If the Chief Steward is unable to settle the dispute, then the last appeal will go to the Rules Committee as outlined in I A.

D. If the rider disputing the scoring is from the Chief Steward's agency, then the dispute will by-pass the appeal and go directly to the Rules Committee.
