## LETTER FROM THE PRESIDENT

April 9<sup>th</sup>, 2005

The rodeo committee would like to welcome all the participants to our 16<sup>th</sup> annual training seminar and exciting competition.

This year, we are excited to have as our main sponsor once again, JM Lexus of Margate. Mr. David Mullen and his sons, Phil, Ray and David have embraced our event with open arms and we appreciate all their contributions to our event. We look forward to having a long lasting relationship with JM Lexus and JM Family Enterprises.

The committee would also like to welcome as a hosting site, the Office Depot Center. This site is truly a beautiful area of Sunrise, Florida. This venue is the official home of the Florida Panthers and numerous world league concerts. The committee thanks the staff at The Office Depot for their hard work on our event.

Once again, a special thank-you goes out to Ft. Lauderdale Harley Davidson and Daytona Harley Davidson, along with Harley Davidson Motor Company for this year's raffle motorcycle, a 2005 883 Sportster. Thanks to Barry and Kim of Ft. Lauderdale Harley Davidson for the help with our event. The committee welcomes the continued relationship for years to come.

A special thanks to the Wings of Gold Motorcycle Club for their hard work and continued support of this event. The judges put in a long days work and as President, I would personally like to thank all the judges and volunteers who give their time. Bob and Dave Amchir, without their help this event could not take place.

This year I am not going to leave out our head judge and his wife, Steve and Terry Bull. Steve and Terry travel each year from Georgia to attend our event. Terry handles the registration part. Steve is our Head Judge and does what it takes to get this event completed on time with minimal problems.

As President, I would like to finally thank my board members, Colleen, Stan and Wayne for their hard work and long hours that they put into this event. If you see them, say thanks, they deserve it!!

Once again, thank-you for making this Premier event the largest police Motorcycle competition in the Southeast.

Sincerely,  
Al Adkins,

President

**Northwestern University Traffic Institute & Harley-Davidson Motor Company® presents a**  
**MOTORCYCLE NATIONAL ACADEMY**

Many people assume that an officer is qualified for police motorcycle duty simply on the strength of prior experience operating civilian motorcycles. Not so! The high load factor of police motorcycles, along with the unusual distribution of the load, results in unique handling problems. This, plus the high speeds and/or maneuverability required of police motorcycles, creates the need for higher-level skills than civilian riders are equipped to master without specialized training.

---

**POLICE MOTORCYCLE INSTRUCTOR  
TRAINING & CERTIFICATION**

This 120 hour course will not only cover methods of instruction, but also provide real-life experience in teaching proper police motorcycle operation. We have overlapped our Police Motorcycle Instructor training with our Operator Training to give further instructors actual police motorcycle student operators to work with.

Upon successfully completing Police Motorcycle Instructor Training, the new instructors should be able to teach proper police motorcycle patrol procedures to other members of their organization. The course will cover: • Principles of Learning • Methods of Instruction • Preparing a Lesson Plan • Site Selection • Course Layout • Practice Teaching (Field Exercise) • On-Street Riding Techniques • Law Enforcement Techniques.

*Please note: As a prerequisite, Instructor candidates must have previously been trained as a Police Motorcycle Operator, either in our basic school or an equivalent school.*

---

**POLICE MOTORCYCLE OPERATOR  
TRAINING & CERTIFICATION**

This intensive 80 hour program will develop the coordination, skill and confidence necessary for the student to operate a police motorcycle safely and efficiently. It will cover: • Machine Nomenclature, • Slow Maneuvering, • Control, • Braking, • Curve Negotiation, • Motorcycle Maintenance, • Defensive Driving Techniques, • Law Enforcement Techniques, • On-The-Street Riding.

Through this program, the student rider will be evaluated continually. Upon successful completion of the course, students will have demonstrated their ability to use all the defensive riding techniques and manual skills they have learned in actual street riding situations, and will be fully prepared for on-the-job training in their agency.

**WE CAN BRING TRAINING TO YOUR AGENCY**

The motorcycle course can be presented at your location. Motorcycles will be provided by Harley-Davidson at no extra cost. Instruction will be provided by Traffic Institute staff. Our instructors and fleet of police motorcycles are ready to serve you.

If your agency would like to act as host, or you would like more information, please contact:

**The Traffic Institute - 1 (800) 323-4011, or  
The Chief Instructor, Police Motorcycle Training at: (414) 343-8234**

Prior to enrollment each student will be required to sign a release of liability for  
Northwestern University and Harley-Davidson Motor Company.
