## LETTER FROM THE PRESIDENT

April 14th, 2007

The South East Police Motorcycle Rodeo Committee would like to welcome all the participants to our 18th annual training seminar and exciting competition.

This year we welcome our new sponsors to our event, Eddie Accardi Auto Dealerships and Gold Coast Beverages, Inc. We appreciate all their contributions to our event. Our event looks forward to a long lasting relationship. Thank-You.

This year's event is dedicated to Bob Amchir, who passed away in December 2006. Bob was an active member of our event with his motorcycle club, The Wings of Gold. They provided judges and the insurance to our event. The Wings of Gold also provided the food on game day and gave all proceeds to Concerns of Police Survivors. Bob was a good friend, a good family man, and most of all, cared for all children in need. He will be missed by all. His son, Dave Amchir, has taken the helm and is continuing Bob's passion for our event. For this, we thank-you Dave and all of your volunteers who help us.

Thanks also go out to Fort Lauderdale Harley and Harley Davidson Corporate for donating the raffle bike again this year. Our thanks to Barry Kuhnly who has been with this event since day one. Also, we send out our prayers to Barry's wife, Debbie who is in Gainesville waiting for a heart transplant.

Thanks go out to Steve Bull and Terry Bull. Steve is the head judge and comes down from Georgia to attend our event. Terry Bull handles our registration.

Once again, thank-you for making this Premier event the largest police Motorcycle competition in the Southeast.

Sincerely,

Al Adkins, President

Northwestern University Traffic Institute & Harley-Davidson Motor Company® presents a

## **MOTORCYCLE NATIONAL ACADEMY**

Many people assume that an officer is qualified for police motorcycle duty simply on the strength of prior experience operating civilian motorcycles. Not so! The high load factor of police motorcycles, along with the unusual distribution of the load, results in unique handling problems. This, plus the high speeds and/or maneuverability required of police motorcycles, creates the need for higher-level skills than civilian riders are equipped to master without specialized training.

---

### **POLICE MOTORCYCLE INSTRUCTOR TRAINING & CERTIFICATION**

This 120 hour course will not only cover methods of instruction, but also provide real-life experience in teaching proper police motorcycle operation. We have overlapped our Police Motorcycle Instructor training with our Operator Training to give further instructors actual police motorcycle student operators to work with.

Upon successfully completing Police Motorcycle Instructor Training, the new instructors should be able to teach proper police motorcycle patrol procedures to other members of their organization. The course will cover: • Principles of Learning • Methods of Instruction • Preparing a Lesson Plan • Site Selection • Course Layout • Practice Teaching (Field Exercise) • On-Street Riding Techniques • Law Enforcement Techniques.

*Please note: As a prerequisite, Instructor candidates must have previously been trained as a Police Motorcycle Operator, either in our basic school or an equivalent school.*

---

### **POLICE MOTORCYCLE OPERATOR TRAINING & CERTIFICATION**

This intensive 80 hour program will develop the coordination, skill and confidence necessary for the student to operate a police motorcycle safely and efficiently. It will cover: • Machine Nomenclature, • Slow Maneuvering, • Control, • Braking, • Curve Negotiation, • Motorcycle Maintenance, • Defensive Driving Techniques, • Law Enforcement Techniques, • On-The-Street Riding.

Through this program, the student rider will be evaluated continually. Upon successful completion of the course, students will have demonstrated their ability to use all the defensive riding techniques and manual skills they have learned in actual street riding situations, and will be fully prepared for on-the-job training in their agency.

### **WE CAN BRING TRAINING TO YOUR AGENCY**

The motorcycle course can be presented at your location. Motorcycles will be provided by Harley-Davidson at no extra cost. Instruction will be provided by Traffic Institute staff. Our instructors and fleet of police motorcycles are ready to serve you.

If your agency would like to act as host, or you would like more information, please contact:

The Traffic Institute - 1 (800) 323-4011, or  
The Chief Instructor, Police Motorcycle Training at: (414) 343-8234  
Prior to enrollment each student will be required to sign a release of liability for  
Northwestern University and Harley-Davidson Motor Company.
