Harley® offers basic models, and models with all the bells & whistles.

So do we. In fact, nobody offers you a wider selection of top quality garage doors, automatic garage door openers, gates and gate operating systems than Broten. Of course every door we sell is hurricane-rated and meets all Florida Building Code criteria. But enough of that; here's something really cool - we even offer a stealth door opener model that's almost completely silent. Fortunately, H-D doesn't.
